

Year 2

Weekly Information to Parents Monday 1st July to Friday 5th July

Maths

The children enjoyed visiting the Juniors to meet their Year 5 buddies again and to play their maths board games they had made for them. They had to use their quick recall of number facts to play the different board games.

English

The children have used prepositions to describe and specify different objects Paddington would have in his garden. The children focused on making their sentences more exciting by improving their vocabulary and using expanded noun phrases.

Art

The children enjoyed taking part in a screen printing session inspired by Men of the Docks by George Bellows as well as individually painting a wooden flower as part of a display that will be our back playground.

P4C

The children had a topical debate on immigration based on this picture as part of our Men of the Docks enquiry.

Design and Technology

The children have worked collaboratively to create a piece that will be put together for our final Take One Picture piece. They have sewed fish, buildings and boats using different types of stitches. We were very impressed!

Sports Day

PE

The children have been practising for Sports Day next week. Games to practice at home include sprinting, throwing beanbags into a target, balancing a beanbag on their head as well as an egg and spoon race. The children have been encouraged to be supportive of their teammates whether they come first or last!

Computing

The children worked collaboratively to type up a few short sentences to review the film Paddington 2. Their typing skills are really improving!

Reminders

- Both Warburtons sessions for Bats and Rabbits will take place on **Wednesday 10th July** after the children have met their new teacher at the Junior School.
- **Sports Day** and the Family Picnic is on **Thursday 11th July**.
- Costume letters have been sent home. Please send your child's costume in by **Friday 12th July**. Please note that younger siblings will **not** be allowed at their final performance on **Thursday 18th July**.

Thank you from the Year 2 Team
