

NURSERY

Information to Parents

27th September 2019

The children have had a lovely week learning about the changing weather - we have been lucky enough to see many of the elements this week. We have been exploring the different sounds the new weather brings with it. We have also seen some lovely autumn items from home. The children have been making some lovely friendships as they settle into the routine of nursery.

WOW forms have been sent home this week, should you have any questions or need more please contact a member of staff.

Communication, Language and Literacy

Next week we will be talking about the things we enjoy at school and the toys we like to play with.

We will also be asking the children things they may like to play with and learn about in the future.

Should you have any suggestions / special celebrations you think would be fun and educational to learn about please do let the staff in nursery know.

Maths

Next week we will continue to look at shapes – the children will be encouraged to make pictures using the shapes they know.

Please continue to spot shapes when out and about.

Other Curriculum Areas:

Dressing - with the cold weather fast approaching we will be looking at the clothing needed for this weather. We will be encouraging the children to dress themselves in the appropriate clothing.

We will start PE sessions on Monday, please could you ensure the children do not wear earrings to school on this day. We will also be looking at the need for exercise to keep our bodies strong and healthy.

Our Sound of the week:

Ss

Children are invited to bring in items that start with the sound s. These items need to be named to ensure they can be sent home with the correct child.

Please note....

- Library books should be returned to school on Monday, the children will select two new storybooks to bring home and share. Book Bags will only need to come to school on a Monday.
- Snacks should only be fruit or vegetables, dairy items are unfortunately not suitable due to allergies in the class.
- With the colder weather fast approaching could we ask that all items of clothing are named, this will ensure we can get these back to the right child.
- Our nursery dolls have been well loved over the years, should you have any spare babies at home that are looking for a new home we would gratefully receive these. We can assure you we will take good care of them.

Dates for your diary:

Wednesday 16th October - Teddy Bears Picnic - thank you to those that have already returned their reply slip.

Thank you from the Nursery Team
