DARRICK WOOD INFANT & NURSERY SCHOOL

DESIGNATED TEACHER FOR CHILDREN LOOKED-AFTER & PREVIOUSLY LOOKED-AFTER POLICY

1. Aims

The Academy School aims to ensure that:

- › A suitable member of staff is appointed as the designated teacher for children looked-after and previously looked-after
- › The designated teacher promotes the educational achievement of children looked-after and previously looked-after, and supports other staff members to do this too
- › Staff, parents, carers and guardians are aware of the identity of the designated teacher, how to contact them and what they are responsible for

2. Legislation and statutory guidance

This policy is based on the Department for Education's [statutory guidance on the designated teacher for looked-after and previously looked-after children](#).

It also takes into account [section 2E](#) of the Academies Act 2010.

This policy complies with our funding agreement and articles of association.

3. Definitions

Children Looked-after (CLA) are registered pupils that are:

- › In the care of a local authority, or
- › Provided with accommodation by a local authority in the exercise of its social services functions, for a continuous period of more than 24 hours

Children Previously Looked-after are registered pupils that fall into either of these categories:

- › They were looked after by a local authority but ceased to be as a result of any of the following:
 - A child arrangements order, which includes arrangements relating to who the child lives with and when they are to live with them
 - A special guardianship order
 - An adoption order

Darrick Wood Infant & Nursery School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

› They appear to the governing board to have:

- Been in state care in a place outside of England and Wales because they would not have otherwise been cared for adequately, and
- Ceased to be in that state care as a result of being adopted

Personal education plan (PEP) is part of a CLA's care plan that is developed between the Academy School and the Local Authority, usually a designated social worker. It forms a record of what needs to happen and who will make it happen to ensure the child reaches their full potential. It also includes the child's views.

Virtual school head (VSH) is a local authority officer responsible for promoting the educational achievement of their authority's CLAs, working across schools to monitor and support these pupils as if they were in a single school. The VSH is also responsible for providing information and advice to schools, parents and guardians in respect of children previously looked-after.
