

Key Knowledge		
Locational knowledge	Human and physical	Geographical skills and fieldwork
I know that a continent is a group of countries I know the name of two continents- Europe and Asia I know I live in the continent of Europe I know a country is a land or nation with its own government I know that UK is short for United Kingdom I know the United Kingdom is made up of 4 countries and their names. I know the name of the country I live in.	I know the 4 seasons of the UK I know that a weather forecast is when someone tries to predict what the weather will be like in the near future. I know that weather refers to the conditions outside at a particular time I know that different parts of the UK often experience different weather. To know that weather conditions can be measured and recorded.	I know simple directional language (e.g. near, far, up, down, left, right, forwards and backwards). That a compass is an instrument we can use to find which direction is North I know which direction is N, S, E, W on a map.

Key Skills		
Locational knowledge	Human and physical	Geographical skills and fieldwork
		

Important pictures to help me learn.

Vocabulary		
I will learn these key words and understand what they mean.		
atlas capital city climate compass continent country	direction land locate location map rain gauge	season temperature thermometer weather weather vane
